<p>Review of Ongoing Activities w/ Strategic Plan</p>	<ul style="list-style-type: none"> • Development of a youth/ family council for JaxHATS <ul style="list-style-type: none"> ○ First youth council meeting was established on August 28, 2015 with six young adults. One of the members, Eric Fann gave a brief overview of the council's vision. The group is looking to offer mentors for other patients, they would like to do team visits or be a support to those patients that are inpatient in the hospital, focus on family intervention and try to give out information to those who need it. They have big visions for this council and will need help from the community. ○ Sherry Buchman suggested the group network with "Streetlight", a group at UF-Gainesville providing similar support. They may be a great resource for youth council. ○ Dr. Nathawad noted that there may be some funding support for the youth council meetings from a grant within our division. • Healthcare and Educational Transition Resources/Training for YASHN <ul style="list-style-type: none"> ○ Janet Hess informed the group that healthcare educational module is in process and an organizational advisory committee will advise on this module and push for implementation by the end of the year for secondary educators. ○ Focusing on how healthcare transition should fit into students IEP's and parental meetings. 	<p>JaxHATS</p> <p>FL HATS</p>
