TOPIC	DISCUSSION/RECOMMENDATIONS	ACTIONS & NEXT STEPS	ASSIGNED TO	FOLLOW-UP DATE
	<ul style="list-style-type: none"> ➤ Review of Strategic Issue Identification, with emphasis on: <ul style="list-style-type: none"> Funding Accessibility of Care/Manpower development Information Sharing/Communications Education/Training Continuity of Care/System Design ➤ Reviewed Strategic Issues Identified by Hillsborough HATS <p>Group breakout for discussion and brainstorming. Group reconvened to review and note ideas Forces of change assessment discussion results:</p> <ol style="list-style-type: none"> 1. environment of reduced reimbursement for services may reduce providers willingness to accept youth into their practice 2. Perhaps decrease in state revenues will result in decreased services in an already low resource service area (voc rehab, school based transition services) <p>Future</p> <ol style="list-style-type: none"> 1. Supply of primary care providers, physicians, nurse practitioners, and PA. 2. Specialty pediatricians supply is a problem <p>Trends</p> <ol style="list-style-type: none"> 3. gaps in adult services for rare disorder orders 4. Aging of caregivers aging as dependent children age. <p>Forces occurring locally, regionally nationally</p> <ol style="list-style-type: none"> 1. Poor economy, may deteriorate 2. growth in special needs populations (school enrollment was up statewide). 3. Stress on public programs due to economy <p>Characteristics that pose a threat or opportunity</p> <ol style="list-style-type: none"> 1. computer systems are being implemented 2. opportunities for more transition clinics 3. increased interest/volunteerism/cooperative efforts among business focusing on preventative 4. community focusing on more active and safe lifestyles <p>Barriers</p> <ol style="list-style-type: none"> 1. Time it will take to assimilate the realities of health care reform will impact health care transition trajectory 			

TOPIC	DISCUSSION/RECOMMENDATIONS	ACTIONS & NEXT STEPS	ASSIGNED TO	FOLLOW-UP DATE
	<p>Opportunities:</p> <ol style="list-style-type: none"> 1. Chance for research and development from National Healthcare Reform 2. Current research dollars form stimulus funds 3. Develop opportunities by identifying legislative advocates for healthcare transition 4. Get those legislative advocates to become champions for funds 5. Get legislative advocates to encourage/support legislation that impacts research <p>➤ Rebecca announced that she will be moving to Texas and will no longer be able to work with this group. However, another person TBA from the DCHD will take over the work she has been doing with this group.</p>
